Marquee Accessories

Marquee roof liner	Black or white	POA
Marquee wall liner	White	\$6.50 per metre

Structure marquees have the options of solid, translucent or clear walls.

Please contact our office regarding availability.

Determining the type and size of marquee that you will require is dependent on the type of function and the location of your event.

We recommend that you allow 1-1.5 m² per person to give optimum comfort for your guests.

Please discuss this with one of our service team to ensure a successful event.

We can create Floor Plans & 3D drawings of our marquee set-ups to show you exactly how your event will
